Adhesion Wealth Advisor Solutions Honored as one of Charlotte's 50 Fastest-Growing Companies by *Charlotte Business Journal*

Adhesion will be recognized as a top local firm for two consecutive years

November 21, 2013 – Charlotte, NC – Adhesion Wealth Advisor Solutions Inc. (“Adhesion”), a leading practice management and investment solutions partner to wealth advisors nationwide, is pleased to announce that it has, for the second year in a row, been recognized by the *Charlotte Business Journal* as one of the Charlotte region’s 50 fastest-growing private companies. This awards program recognizes 50 local companies that display outstanding growth, entrepreneurial excellence and leadership.

All 50 companies that made the list will be honored during the Thursday, December 5th awards luncheon at the Charlotte Ritz-Carlton. In addition, the CBJ will reveal the 2013 company rankings, which are based on their percentage of annual growth over a three-year period.

“We are honored to again be included as one of Charlotte’s fastest growing companies for 2013,” said Michael Stier, CEO of Adhesion. “While we work with financial advisors all over the country, we are so proud to be one of the only firms in our specific niche—offering outsourcing and investment solutions for wealth managers—that still believes in keeping all of our operations in-house and in the United States. 100% of our employees, even our IT, is housed right here in Charlotte. Our continual growth, and recognition by the Charlotte Business Journal, shows not only our commitment to our clients but also our commitment to our communities.”

Adhesion has called Charlotte home since 1999, and now has more than 20 employees and over \$13 billion in assets under administration.
